1. I may be you're forgotten son (Oh mammy)
the one that offered twenty one. (Oh mammy)
It's sad to find myself at home
and you, you're not around.

2. If I could only hold your hand (Oh mammy)
and say I'm sorry, yes I am (oh mammy)
I'm sure you really understand (oh mammy)
Oh mammy, where are you now.

3. The home we shared upon the hill
seems lifeless, but it's standing still
and memories of my childhood days
fill my mind, oh ma ma mammy.

4. I've been through all the walks of life (oh mammy)
seem tired days and lonely nights (oh mammy)
and now without you by my side (oh mammy)
I am lost, how will I survive.
